IMA Rebates

IMA Rebates are generated by transactions on the MadeBig Discount Shopping Site by MadeBig members. Depending on which eBusiness Solution License Pack an IMA has is what will determine which IMA Rebates they qualify for.

IMA Rebates are always paid 50% Cash and 50% Sale Volume. For example, if an IMA's MadeBig Member made a \$100 purchase from a merchant with a 10% IMA Rebate; that IMA would receive \$5.00 Cash and \$5.00 Sale Volume (SV).

*IMA Rebate Earnings are paid on the Monthly Check Run.

All IMA's have the incredible ability to earn cash from IMA Rebates from their Discount Shopping Site, but when an IMA builds a network of IMA's they unlock the most lucrative opportunity in business today!!! This is how an IMA can earn 4 different ways all from 1 simple effort!

The Sale Volume System allows you to earn overrides from all the MadeBig members within your Personal Network of IMA's. When an IMA in your Personal Network earns an IMA Rebate from something that happened on their Discount Shopping Site, half of the Rebate goes to that IMA and the other half is turned to Sales Volume, in which you can earn 3%-5% on. (See chart and qualifications on next page).

Sales Volume System

Earn overrides on your personal network's Sales Volume (GSV)

Copper – To qualify at the Copper Level, you must have \$50 of Sales Volume (SV) or be enrolled in the TMII Autoship Program in the month that you are qualifying for. Qualifying for Sales Volume System commissions at the Copper Level allows you to get paid on 3 levels. Level 1 is yourself and level 2 and 3 are your first and second generations in your Personal Network. (Your personal network is your personal organization, which are people who are personally sponsored by you and the people who they sponsor and so on.) Receive 5% of all your personal SV, 5% of your level 2 Group Sales Volume (GSV) and 5% of your level 3 GSV.

Bronze – Qualifying for Sales Volume System commissions at the Bronze Level is similar to qualifying at the Copper level. Bronze qualifications allow you to get paid on levels 1,2 and 3, as in Copper, but it also allows you to get paid on levels 4 and 5. To qualify at the Bronze Level, you must have \$75 of Sales Volume (SV) in the month that you are qualifying for.

Silver – Qualifying for Sales Volume System commissions at the Silver Level allows you to get paid through 6 Levels. There are two requirements to qualify at the Silver Level. First you must have \$150 of Sales Volume (SV) and second you must have two Personally Sponsored Team Members that qualified as Bronze in the month that you are qualifying for. Example: You Personally Sponsored Ty and Alora who both had \$90 SV. Bronze status requires \$75 SV to qualify, therefore both Ty and Alora are Bronze, which meet your requirements for Silver status.

Gold – Qualifying for Sales Volume System commissions at the Gold Level allows you to get paid through 7 Levels. To qualify at the Gold Level, there are two requirements. First you must have \$200 of Sales Volume (SV) and second you must have three Personally Sponsored Team Members that qualified as Silver in the month that you are qualifying for (refer to Silver requirements listed above).

Platinum – Qualifying for Sales Volume System commissions at the Platinum Level allows you to get paid through all Levels of your Personal Network (infinity). To qualify at the Platinum Level, there are two requirements. First you must have \$300 of Sales Volume (SV) and second you must have four Personally Sponsored Team Members that qualified as Gold in the month that you are qualifying for (refer to Gold requirements listed above).

3% Leadership Infinity Bonus – Your commission for the Infinity Bonus is calculated at 3% of total GSV that is over 7 Levels deep. Any GSV at 8 Levels or more is combined to create the Infinity Bonus Level. You will receive the 3% Infinity Bonus up to 5 qualified Platinum Team Members.

All unqualified volume will compress up— When an IMA does not qualify (Copper-Bronze-Silver-Gold or Platinum) their Sales Volume turns to Group Sales Volume (GSV) and compresses up to the next qualified IMA.
