- Brainiacs are those users who provide consistently helpful answers.
- Users can send a High-5 worth 50 MB Coins for answers that were really helpful to them. High-5s don't cost the sender any coins but are a great way to express gratitude to other users.
- We will be looking for human interest stories to feature on the site about how BrainTrust helped a person and the High-5s will be a good way for us to find out the details.
- MB Coins earned on BrainTrust can be used anywhere on the Madebig site.
- Posts seeking or giving out personal information will be removed as soon as we become aware of them. A user risks losing their account and all MB Coins if we determine they've posted offensive, abusive, intimidating, harassing or demeaning language, have threatened other users, or tried to incite hatred, racism or violence.
